Dear Pearre:

Thank you for your letter of 22 August inviting me to speak on 20 December at the meeting of the Tarrant County Medical Society.

I am honored by the invitation. I look forward to it, particularly as it is the first time in my recollection that you and I will have been together on an official kind of occasion. So, I accept but in full recognition that none of us knows what the months ahead will bring.

None of my maps seems to carry the name of the town where the meeting is to be held, but I will try to arrange to track you down somehow.

Best regards,

Sincerely,

SIGNED
